WOOD-FIRED PIZZA

Here at Redstone Pasta Company we believe in keeping with old traditions. Our 12" pizza is prepared with a natural leavening sourdough that is highly fermented producing a very digestible pizza. We only use the best house made ingredients. We cook all pizzas in our wood-fired oven resulting in leopard spotting and char.

We have a designated gluten-free oven that is used only for gluten-free pizza.
gluten-free pizza 4
